

## 2018 Holiday Lighting Contest and Prize Committee

The holiday season is just around the corner and soon it will be time to decorate your home and hang lights. The Board of Directors would like to encourage everybody to participate this year by offering gift cards as prizes for the following categories:

- Best Traditional
- Most Creative
- Best Display of Lighting

In order to decide the winners, the Board is seeking volunteers to serve on a Prize Committee. More information will follow after the Committee has been selected.
